Cozumel Scuba Club
October 10-17, 2020

The Resort

Located on the waterfront one mile south of the downtown ferry dock, an attractive multi-level building of Spanish-Colonial architecture blends in with the waterfront. Built in 1976 as Cozumel's first dedicated diver's resort, Scuba Club Cozumel is still a very intimate place. Designed and built — by divers for divers — to provide all services in one convenient place. You will love the meals, buffet breakfast with many wonderful options, choose the daily lunch special or order off the menu and choose your dinner entree.

The Diving

Cozumel is famous for its amazing drifts and beautiful healthy reefs. Dives vary from deep walls to shallow reefs. The diversity in the dive sites makes every dive a new experience. Scuba-Cozumel is the in-house dive operation for Scuba Club Cozumel resort. This PADI 5-Star facility and full service dive center is located inside the hotel premises and includes an air filling station consisting of four compressors and a four-stage filtering system, a full line of rental gear and basic repairs shop. The boats are different sizes and can accommodate from 10 to 20 divers. Equipped with dive platforms and sturdy ladders, marine radios, oxygen and first aid trained crews, they will be ready for boarding every morning at the Club's comfortable pier, right after breakfast. Diving guests are normally assigned to the same boat, crew and underwater guide for the length of their stay.

Non-Diving Activities

Take a short walk or taxi ride to San Miguel a quaint town filled with shopping and fun restaurants. Rent a jeep and tour the island. Stop at the Punta Sur for snorkeling and check out the giant sea crocks.
